I have a meeting with PADEP managers on March 6th. The agenda is below. Are there any BF grants at the Sites of interest ?

Here is the agenda that Ragesh has drafted for our meeting on March 6.

Please let me know if there is any topic or site that you would like to add to the list.

Also, I'm familiar with ChemFab and Franklin Slag, but I'm not sure what category the other sites fall into (Removal, pre-remedial, other?), so please let me know which sites you would be taking the lead on during our discussions with PADEP.

Thanks.

Anything to add or delete? I would like to send it to my RD and he asked for it today. I have until Wednesday to respond to him.
